Week 1 Progress Report

Sprint 1: Milestone 10/03

Goal Finish remaining requirements last week and Add Library feature

Feature # 4 Users can add new manga series to their library(locally in their device) (Deadline: 10/24)

Requirement # 1

```
- Add a "Add in Library" Button when you are in the detail page(saves locally in their device)
```

- Plan: Get the manga_id, image_url, description, and number of chapters. Store this in SQLite

Feature #3 -Users are able to search for manga

Requirement # 1

- Search button that users can use to enter series then shows list of series ✅

Progress Metrics

Lines of Code (LoC): 100

Requirements Completed / Total: 1 / 2

--

Burn-down Rate: 50% completed, 50% remaining

--

Issues Feature #3 requirement took a while to finish
